Dear Parent(s) and Guardian(s):

Art and Science Academy is dedicated to providing all students with an excellent education so that each child can succeed in school and in life. To ensure your child's success, we have set high standards using an art and science integration model. We will look at multiple assessment measures that indicate how our school is succeeding. We use FAST scheduled in September, January and May. The MCA takes place in April/May as our state measurement indicators.

The past spring and this year have been a challenge because of Covid. The state suspended testing for the MCAs for spring 2020 and we are currently still waiting to hear if MCAs will be held for spring 2021.

Your engagement and support in your child's education are critical to their success. Contact your child's teacher with questions or suggestions on how you can best support the work they are doing. ASA will also be offering several activities for you to be engaged in your child's education.

ASA will have its annual meeting to inform parents about our Title I program. This meeting is scheduled October 21st at 4:00 p.m. via Zoom. A meeting notice will accompany this letter. Please contact us at [www.artandscienceacademy.k12.mn.us](http://www.artandscienceacademy.k12.mn.us) or 763-444-0342 if you have any questions.

Sincerely,

ASA Admin Team
